

REFUND POLICY

1. You can apply for a Refund within 30 days of purchase of any service on the website; the said refund should be accompanied with a valid reason as to why the refund is being sought.
2. If services which have been purchased have been partially used, then no refund will be initiated.
3. In case of request for a refund you will be required to raise a request on the Helpdesk available in the dashboard in the refund section within the prescribed time period. No other form of refund request will be entertained.
4. If the amount sought as refund is cleared the same will be approved and you will receive the amount after deduction of administrative and other incidental charges within 30 days from the date of request for refund.
